

## Affording Your Health Care

Trinity Health is committed to fully supporting your best health — mind, body, and spirit. We're also committed to helping you afford the care you need. Trinity Health has partnered with HealthBridge Financial to provide extended payment plans that help you afford your out-of-pocket medical expenses.

When you receive medical care at a Trinity Health Of New England location, you have the ability to choose a payment plan that fits your budget.

- **0% interest** — no interest ever.
- **Extend payments for up to 24 months.** Minimum payments apply.
- **No application or credit check required.**
